Rashid Al Majid History & Introduction

INTRODUCTION

Rashid al Majid Group was founded a little over three decades ago. An entrepreneurial brainchild of Mr. Rashid al Majid, it started out as a local trading business. It had a humble beginning with trust, quality and customer service as the modus operandi of the founder's entrepreneurial spirit. Since then, the business has expanded, and with the remarkable economic growth in the region the group diversified its business into new areas. The group's business portfolio currently includes a number of companies involved in multiple industries; spanning across: **Projects (EPC), Operation & Maintenance, Manufacturing, Trading, Real Estate,** and **Food Production.** As part of its strategy for excellence, it has managed to forge international partnerships with companies in a leading position in their respective industries.

At the core of the group's operational excellence lie facility centers', including: show rooms for product exhibition, service centers and warehouses. The facility centers are positioned in a manner to maximize customer convenience and minimize logistical hurdles. Hence, positive customer experience, the flexibility to avail services within reasonable timings, and superb supply chain management gives us edge over competition.

Rashid al Majid group, ever since its inception has gone through a powerful transformational process to reach its current form. Its view of challenges as nothing but opportunities, and where the future rewards the curious is the crucial factor that drives our success. The group has been an active and important player in the region's growing economy, and it will continue to do so.

We take this opportunity to introduce ourselves as one of the most renowned business organization in the U.A.E. ,well established over a period of more than 30 years, with various business activities motivated in distribution. Agency, production etc. aside from these we own large areas of land and a number of commercial and residential buildings.

In the agency and distribution field we are the sole agent and distributor of American brand "**PHILCO**" air conditioners and other household appliances , and we are the sole agent for "**MARSHAL**" central air-condition too. Our efforts in the market are well supported by an organized and most modern after-sales service and customer-care programmed.

Mission Statement

Our mission is to deliver quality products & services to clients, to provide employees opportunities for personal and professional development, and to maximize the group's investment value. To our clients, our goal is to be an exceptional product and service provider of choice. It is in our strong belief that customers define the standard of quality and services, and hence their loyalty must be earned. We believe that by providing our employees with a dynamic work environment, ongoing training, performance-based recognition and opportunities for advancement, our businesses will continually succeed. To Rashid al Majid, we are dedicated to maximizing investment value. We will do that through growing the company, controlling assets and increasing return on invested capital.

Values: Rashid al Majid Group's values drive our actions and leadership. They echo what is important to the group and forms our employees' inspiration to perform meaningful work. These core values are:

❖**Integrity:** we strive to reflect the highest ethical standards in our relationships with clients, business partners, employees and the community.

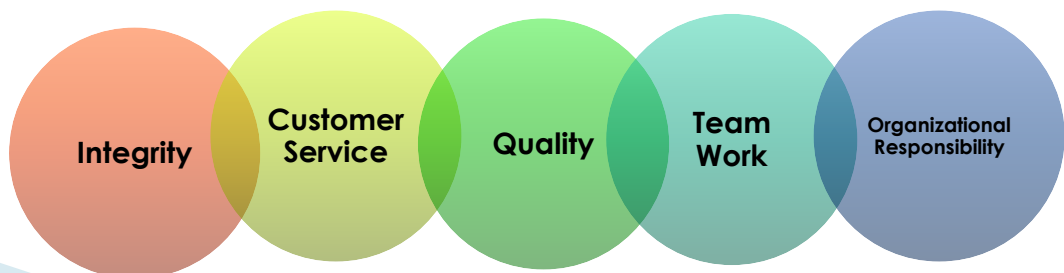

❖**Customer Service:** Prompt response, consistency in communication, quality of information and ability to deliver as promised defines our service setup to exceed customer expectations.

❖**Quality:** we are committed for continuous learning and constant improvement in our products, services, and business processes.

❖**Team Work:** we promote and support diversity in the work place along with a winning environment where each individual's contribution adds value to team performance.

❖**Organizational Responsibility:** we embrace organizational responsibility in the sense of balance between profit, people and planet.

VALUES

Subsidiaries: Rashid al Majid Group's undertakings transcend industries, offering a wide array of products and services. Our longstanding presence in this vibrant, and yet challenging economy has enriched our experience and augmented our learning curve. Moreover, our ability to maintain good working relationship with business partners' helps us to avail a wider range of options to our clients' satisfaction. Our long tenure in a complex, competitive and in an ever-dynamic business environment is a testimony of our capability to go beyond the normal, and exceed customer expectations.

Rashid Al Majid Trading

TRADING

Rashid Al Majid Operation and Maintenance (O&M)

OPERATION & MAINTENANCE (AMC)

Our Operations & Maintenance division specializes in providing preventive maintenance and periodical servicing of Air Conditioning and Refrigeration equipment. Under annual maintenance contract our services cover shopping malls, industrial establishments, residential Buildings, and villas etc.

This division also undertakes repair and rectification of all types of AC equipment's including but not limited to ducted split, package, split units, window ac, etc.

We have high performing teams ready to attend to clients request for services. Our teams are made of seasoned technicians who have mastered the skills of the trade and are known for their professionalism. Under the company's training program all technicians are required to go through a regular evaluation to assess their skill level and customer service orientation. Hence, the continuous improvement in our work force reflects on the quality of the service we provide to our clients satisfaction.

Our service facility centers are equipped with the latest tools of the trade, designed to avoid work place hazard and are located in convenient location. Location gives us edge for our "on call service", where we offer 12 hours service to attend any break down/complaint within the shortest possible span of time. Perhaps all the reason for the large number of client base we have across the emirates of Dubai and Sharjah for our on call services.

AMC Clientele List

We are proud to serve a remarkable UAE wide client base representing public, governmental, residential, and commercial and villas. Our clients value the quality and reliability of our product and service offerings, as well as our flexibility to customize services per their request.

URGENT FOR REVIEW PLEASE REPLY FOR YOUR INFORMATION

NOTES/COMMENTS:

NAKHEEL Procurement Department appreciates your promptness in submitting the registration forms. It is our pleasure to inform you that your company has been registered in our Suppliers directory.

We are in process of developing a sophisticated system in order to regularize and standardize the current procedures. An identification number will be assigned to all the Suppliers in hand.

The qualified vendors will be given equitable chance in all of Nakheel tenders.

Nakheel procures items in two different ways, i.e. Manual/Electronic. Suppliers of electronically procured items have to register at Tejas, for which an invitation will be sent before the tender opening date for registration & training. Whilst the vendors supplying manually procured items, will be directly contacted by the concerned project managers. Nakheel procurement dept. will forward the details to the concerned project sites.

Thanks for your cooperation, should you require any further information or clarification please do not hesitate to contact the undersigned.
