

New!

Refrigerator

The Philco MRA21V7MS all-refrigerator is designed with an Easy Clean stainless steel door and handle that do not show fingerprints and smudges. This model can be paired with upright freezer MUFF21VLMS for 1162 liters of fresh and frozen food storage. The Risk Free 7-Year Sealed System Warranty covers the evaporator, condenser, compressor, filter dryer and tubing for an extended time period.

FEATURES

- 100% Frost Free
- T-Climate Class
- 2 Baskets - 1 Lower & 1 Mid Level
- 5 Adjustable Half-Width Doors Bins
- 1 Tilt-Out Door Bin
- 1 Full-Width Fixed Door Bin
- 2 Fixed Wire Shelves
- 2 Adjustable Wire Shelves
- Pizza Rack
- Adjustable Temperature Control
- Interior Light
- EasyCare Stainless Steel Door & Handle
- Grey Cabinet

R410A - 50 Hz Split Air Conditioners

The Flair split air conditioner line is designed with numerous energy efficiency, health and well-being features. The Eco Smart mode adjusts the temperature while you are away from home or sleeping to save energy and money. The Peak Efficiency heat exchanger with a curved design, greatly improves cooling/heating performance. The My Temp Remote Sensor uses a sensor in the remote control, rather than in the evaporator high on the wall for cooling or heating to the temperature you selected. The Turbo feature quickly cools or heats the room with the touch of a button. The evaporator has an auto clean option that, with the touch of a button, prevents the formation of mold and mildew by running the fan after the air conditioner is turned off.

FEATURES

- R410A Environmental Friendly Refrigerant
- Evaporator Electronic Display
- LCD Wireless Remote Control
- Automatic Swing Louvers
- 24 Hour On/Off Timer
- Auto-Restart
- Eco Smart Mode
- Auto Clean Evaporator
- My Temp Remote Sensor*
- Turbo Function
- 4 Fan Settings (High, Medium, Low and Auto)
- Quiet Operation
- Weather Resistant Condenser Cabinet
- Dehumidification Function
- Bio/HEPA Filter
- Removable Active Carbon & Nylon Filter
- Safety Lock
- Peak Efficiency Heat Exchanger
- Heat Pump / Cool Models
- Easy Installation
- Available in White
- * Feature not available on 24K BTU model

New!

Washer

The new Philco extra large capacity top load washers can conveniently wash 12.1 or 14kg of your laundry using one of 7 wash programs - heavy duty, cottons, synthetics, delicates, bed sheets, quick wash and extra spin. These models are designed with an agitator and can automatically determine the water level and wash/rinse temperature combination needed. Pair one of these washers with matching dryer MKRR13GWAWB.

FEATURES

- 14 or 12.1 kg Capacity
- Rotary Electronic Controls
- 7 Wash Programs
- 4 Manual and 1 Auto Wash/Rinse Temperature Combinations
- 4 Manual and 1 Auto Water Level Control
- Auto Wash Action Time Control
- Auto Spin Level Control
- Wash Only, Rinse Only, Spin Only, Wash and Rinse Only, Wash and Spin Only, and Rinse and Spin Only
- Pre-wash
- Eco Rinse
- Hot and Cold Water Fill
- Fabric Softener and Bleach Dispensers
- Safety Lid Lock
- Balanced Control System
- Water Level Sensor
- Self-Cleaning Lint Filter
- Polypropylene Tub with Agitator
- Program Status Lights
- Attached Drain Hose
- Attached Power Cord
- White Color
