

# All Refrigerators

Philco all refrigerator models provide safe and convenient storage for a large volume of fresh food. Two models are designed with an Easy Clean stainless steel door and handle that do not show fingerprints and smudges. These models can be paired with a Philco upright freezer of the same size for a total of between 1024 and 1234 liters of fresh and frozen food storage. The Risk Free 7-Year Sealed System Warranty covers the evaporator, condenser, compressor, filter dryer and tubing for an extended time period.
